WORK EXPERIENCE

- Dates (from – to) **October 2025- Present**
 - Employer University of Messina
 - Type of job Associate professor of Food Chemistry

- Dates (from – to) **October 2022- October 2025**
 - Employer University of Messina
 - Type of job Assistant professor of Food Chemistry

- Dates (from – to) **November 2020 – October 2022**
 - Employer University of Messina
 - Type of job Post-doc researcher (24 months) within the research project "SIPRAF - Development of an intelligent system of production, distribution, traceability and re-traceability of functional foods" (Prog. n. F/200077/01-03/X45) funded by "PON Imprese e competitività 2014 - 2020, Fondo per la Crescita Sostenibile - Sportello Agrifood"

- Dates (from – to) **October 2015 – October 2022**
 - Employer Science4Life Srl, an academic spin-off of the University of Messina (Messina, Italy)
 - Type of job Scientific consulting and project management

- Dates (from – to) **December 2019 – October 2020**
 - Employer University of Messina
 - Type of job Research fellow: "Characterization and quantification of molecules of biological-nutritional interest present in animal and plant foods of the Mediterranean diet "(duration 10 months)

- Dates (from – to) **October 2018 – October 2019**
 - Employer University of Messina
 - Type of job Research fellow: "Characterization of animal and plant foods of the Mediterranean diet, with particular reference to the quantification of molecules of biological-nutritional interest" (duration 12 months)

- Dates (from – to) **July 2017 – January 2018**
 - Employer University of Messina
 - Type of job Research fellow: "Development of innovative techniques for the characterization of animal and plant food with particular reference to the quantification of molecules of biological interest " (duration 6 months)

- Dates (from – to) **May 2016 – November 2016**
 - Employer University of Messina
 - Type of job Research fellow "Study of lipid fractions on food matrices and of food contamination by chromatographic techniques" (duration 6 months)

- Dates (from – to) **July 2015 – November 2015**
 - Employer ECOCONTROL SUD Srl (Priolo, SR, Italy)
 - Type of job Research fellow (duration 4 months) within the project "Measure 3: improving

the integration of PhD students and PhDs in the labor-market in productive realities and/or research realities located in Sicily" funded by PO FSE SICILIA 2007-2013

EDUCATION

- Dates (from – to) **June 2026**
- Name of organisation Italian Ministry of University and Research
- Title of qualification awarded National Scientific Qualification to function as full professor in the sector 03/D1 (Chemical Sciences) and Scientific and Disciplinary Sector CHEM07-B (Food Chemistry)

- Dates (from – to) **April 2021**
- Name of organisation Italian Ministry of University and Research
- Title of qualification awarded National Scientific Qualification to function as associate professor in the sector 03/D1 (Chemical Sciences) and Scientific and Disciplinary Sector CHEM07-B (Food Chemistry)

- Dates (from – to) **January 2012 – January 2015**
- Name of organisation University of Messina
- Title of qualification awarded PhD in Biology and Cellular Biotechnology with final dissertation entitled "Integrating omic technologies into aquatic ecological risk assessment and biomonitoring".

- Dates (from – to) **October 2008 – December 2010**
- Name of organisation University of Catania
- Title of qualification awarded Master's degree in Cellular and Molecular Biology (score 110/110 cum laude)

- Dates (from – to) **October 2004 – June 2008**
- Name of organisation University of Messina
- Title of qualification awarded Bachelor's degree in Biological Sciences (score 110/110 cum laude)

PARTICIPATION IN PROGRAMME COMMITTEES FOR INTERNATIONAL AND NATIONAL SCIENTIFIC CONFERENCES

- Data **October 2026**
- Titolo Member of the scientific committee of the international congress "The 7th International Electronic Conference on Foods" held online on October 26-28, 2026

- Date **April 2024**
- Title Member of the scientific committee of the international congress "Third International Congress on Bee Sciences (ICBEES 2024)" held online on April 24-26, 2024

- Date **May 2023**
- Title Member of the organizing committee of the international congress " XIII Italian Food Chemistry Congress (CHIMALI " held in Marsala (TP) on May 29-31, 2023.

- Date **September 2018**

- Title Member of the scientific secretary of the international congress "XXVII Italo Latin-American Congress of Ethnomedicine Society (SILAE)" held in Milazzo (IT) on September 13-17, 2018.

INVITED SPEAKER AT INTERNATIONAL AND NATIONAL SCIENTIFIC CONFERENCES

- Data **October 2026**
Keynote speaker at the international conference "Food, Nutrition & Processing Technologies" held in Paris, on October 1-2, 2026. Keynote presentation: **Albergamo, A.**, & Pino, S. "From Environment to Hive: Ensuring the Safety of North African Honey."
- Titolo

LECTURER AT INTERNATIONAL AND NATIONAL SCIENTIFIC CONFERENCES

- Date **October 2025**
- Title Lecturer at the international conference "The 1st International Online Conference on Separations - IOCS2025", held online on October 15-17, 2025. Oral lecture: **Albergamo A.**, Litrenta, F., Lo Turco, V., Potorti, A.G., Di Bella, G. "Sustainable sample preparation and chromatographic analysis for reliable bisphenol detection in honey"
- Date **May 2023**
- Title Lecturer at the international conference "XIII Italian Food Chemistry Congress-CHIMALI2023", held in Marsala (TP) on May 29-31, 2023. Oral lecture: Albergamo A., Lo Turco, V., Potorti, A.G., Di Bella, G. "Understanding the chemistry of the Sicilian Amarena wine during aging"
- Date **September 2018**
- Title Lecturer at the international conference "XII Italian Food Chemistry Congress (CHIMALI)", held in Camerino (IT) on September 24-27, 2018. Oral lecture: **Albergamo A.**, Mottese A.F., Bartolomeo G., Bua G.D, Rando R., De Pasquale P., Saija E., Donato D., Dugo G. "Evaluation of fatty acids and inorganic elements by chemometrics for the traceability of the Sicilian Capparis spinosa L."
- Date **September 2018**
- Title Lecturer at the international conference "XXVII Italo Latin-American Congress of Ethnomedicine Society (SILAE)" held in Milazzo (IT) on September 13-17, 2018. Oral lecture: **Albergamo A.**, Bua G. D., Rotondo A., Bartolomeo G., Ferrantelli V., Colombo A., Leonardi M., Costa R., Dugo G. "Transfer of major and trace elements along the "farm-to-fork" chain of different whole grain products".
- Date **August 2017**
- Title Lecturer at the international conference "15thEUROFED Lipid Congress " held in Uppsala (SW) on August 27-30, 2017. Oral lecture: **Albergamo A.**, Costa, R., Rotondo A., Mondello L., Dugo, G. "Fatty acid fingerprints of farmed and wild fish by GCxGC-MS combined with chemometrics for unmasking seafood mislabeling."
- Date **September 2016**
- Title Lecturer at the international conference " XXV Italo-Latinamerican Congress of Ethnomedicine, SILAE" held in Modena (IT) on September 10-15, 2016. Oral lecture: Bua G.D., Annuario G., **Albergamo A.**, Donato D., Zammuto V., Nicola C., Dugo G. "Profiling of major and trace elements of the Mediterranean sepia ink by inductively coupled-mass spectrometry".
- Date **September 2015**
- Title Lecturer at the international conference " EEF 2015, Ecology at interface" held

in Rome (IT) on September 21-25, 2015. Oral lecture: **Albergamo A.**, Rigano F., Sciarrone D., Purcaro G., Fasulo S., Mauceri A., Mondello L. "Elucidating the free fatty acid profile of caged mussels, *Mytilus galloprovincialis*, for the assessment of environmental pollution".

- Date **September 2014**
- Title Lecturer at the national conference "S.It.E 2014, XXIV Congresso della Società Italiana d'Ecologia " held in Ferrara (IT) on September 15-17, 2014. Oral lecture: **Albergamo A.**, Gomes T., Fonseca T., Serrão Sousa V., Ribau Teixeira M., Mauceri A., Bebianno MJ. "Proteomic changes in the gill tissue of *Ruditapes decussatus* exposed to copper oxide nanoparticles".
- Date **November 2014**
- Title Lecturer at the international workshop "BIMAT 2014, 2nd Marine Nanosafety Workshop " held in Palermo (IT) on November 17-18, 2014. Oral Lecture: **Albergamo A.**, Gomes T., Fonseca T., Serrão Sousa V., Ribau Teixeira M., Mauceri A., Bebianno MJ. "Investigation of protein expression signatures associated with long-term exposure to nanosized CuO and Cu²⁺ ions in the clams *Ruditapes decussatus*"

SCIENTIFIC HONORS AND AWARDS

- Date **October 2025**
- Title Best Oral Presentation Award awarded at "The 1st International Online Conference on Separations – IOCS2025", held online on October 15–17, 2025
- Date **July 2025**
- Title Travel grant awarded by the Scientific Journal Foods (MDPI) for the participation to the "XIV congresso Nazionale di Chimica degli Alimenti CHIMALI-2025" held in Milan, on July 9-11 2025
- Date **May 2024**
- Title 2022 Best Paper Award in recognition of the article "Single Cell Protein Production through Multi Food-Waste Substrate Fermentation" published in the Scientific Journal Fermentation (MDPI). Authors: Alessia Tropea, Antonio Ferracane, Ambrogina Albergamo, Angela Giorgia Potorti, Vincenzo Lo Turco and Giuseppa Di Bella
- Date **April 2024**
- Title "ERASMUS+" Mobility Grant for Teaching Activities (STA) awarded by the University of Messina for the Academic Year 23/24 (Project 2022-1-IT02-KA131-HED-000063620)
- Date **May 2023**
- Title "Girolamo Bambara" award for the best oral communication in the wine sector presented at the "XIII National Congress of Food Chemistry-CHIMALI2023" held in Marsala on May 29-31, 2023
- Date **July 2018**
- Title Scholarship awarded by the Interdivisional Group of Food Chemistry (GICA) for the participation of young researchers to the international congress "CHIMALI - XII Italian Food Chemistry Congress" held in Camerino on September 24-27, 2018.

- Date **May 2017**
- Title “SISSG Italian Young Researcher Grant” awarded by the Italian Society for the Study of Fatty Substances (SISSG) for the best abstract presented at the international congress “15thEUROFED Lipid Congress” held in Upsala (SW) on August 27-30, 2017.

- Date **September 2015**
- Title “Roberto Marchetti” award awarded by the Italian Society of Ecology for the best oral communication presented at the international congress “EEF 2015, Ecology at interface” held in Rome on 21-25 September 2015.

- Date **April 2015**
- Title Mention of Doctor Europaeus awarded by the University of Messina, contextually to the title of PhD, for having undertaken research at an institution of higher education in an EU country for a minimum period of 3 months

- Date **May 2013**
- Title “LLP/Erasmus Study” mobility scholarship awarded by the University of Messina for conducting research activity at foreign universities participating in the Erasmus programme for the Academic Year 2012/2013

- Date **January 2012**
- Title Scholarship awarded by the Ministry of University and Research to pursue the PhD in Cellular Biology and Biotechnology during the academic year 2011/2012

COORDINATION/PARTICIPATION OF/IN NATIONAL OR INTERNATIONAL RESEARCH NETWORKS

- Date **May 2025- November 2025**
- Title Participation to the research program funded by the Italian Ministry of University and Research – National Recovery and Resilience Plan (PNRR) “QUASI WEB-Food analytical fingerprintings dataset and prototype platform for the valorization of agri-food waste and residues” (Ref. Code ECS00000009)

- Date **December 2024- September 2025**
- Title Participation to the research program funded by the Italian Ministry of University and Research – National Recovery and Resilience Plan (PNRR): “GREEN-EGG: Microalgae deriving from the biochemical conversion of CO₂ as innovative and sustainable sources of functional additives in laying hen diets” (Ref. Code: CN00000022).

- Date **October 2023 – present**
- Title Participation to the Cost Action research program funded by UE “BEEkeeping products valorisation and biomonitoring for the SAFETY of BEEs and HONEY (BeSafeBeeHoney)” (Ref. Code CA22105), as:
 - Member of the Management Committee
 - Co-Leader of Working Group “WG6: Coordination, dissemination, and stakeholder involvement”

- Date **November 2020 – October 2022**
- Title Participation to the research program funded by the Italian Ministry of Enterprises and Made in Italy “SIPRAF – Sviluppo di un sistema intelligente di

produzione, distribuzione, tracciabilità e rintracciabilità di alimenti funzionali”
(Ref. Code F/200077/01-03/X45)

SUPERVISION OF FOREIGN PHD STUDENTS OR RESEARCHERS

- Date **November- December 2023**
Supervision of Dr. Wafaà Amira Slimani, a PhD student in Forestry at the University of Tlemcen (Algeria), for research activities related to her final PhD dissertation.
- Assignment

OFFICIAL RESEARCH ASSIGNMENTS AT UNIVERSITIES AND NATIONAL OR INTERNATIONAL RESEARCH CENTERS

- Date **April 2024**
Visiting professor at the Department of Agricultural Chemistry of University of Cordoba (SP)
- Assignment
- Date **February 2014 – September 2015**
Visiting Researcher at the Group of Separation Science headed by prof. Luigi Mondello (University of Messina, IT).
- Assignment
- Date **March 2013 – August 2013**
Visiting Researcher at the Center for Marine and Environmental Research, group of the Toxicology and Environmental Chemistry headed by Prof. Maria João Bebianno (University of Algarve, Portugal) within the LLP Erasmus Studio mobility program.
- Assignment

RESEARCH ACTIVITY CHARACTERIZED BY NATIONAL OR INTERNATIONAL COLLABORATIONS

- Date **February 2025- Present**
- Activity Collaboration with the research group on Agrobiotechnology, Genetic Resources, and Modeling at Abdelhamid Ibn Badis University (Mostaganem, Algeria). This collaboration resulted in three original papers published in indexed international journals, in two of which I am listed as the corresponding author (publications n. 57, 59, and 61).
- Date **January 2024 - Present**
- Activity Collaboration with the European Chemical Industry Council (CEFIC) – European Plasticizers Sector Group.
- Date **December 2024 – July 2026**
- Activity Collaboration with the Animal Sciences and Technologies research group of the SCIVET Department at the University of Messina, within the research program “GREEN-EGG: Microalgae Derived from the Biochemical Conversion of CO₂ as Innovative and Sustainable Sources of Functional Additives in Laying Hen Diets,” funded by the National Recovery and Resilience Plan (PNRR)-DD No. 3138 of December 16, 2021, issued by the Ministry of University and Research using funds from the National Recovery and Resilience Plan (PNRR), Mission 4, Component 2, Investment 1.4 – “National Research Center for Agricultural Technologies - AGRITECH,” Program Code CN00000022. This collaboration resulted in one original paper published in an indexed international journal (publication n. 63)
- Date **November 2023 – September 2024**

- Activity Supervision of research activities as part of the PhD program of Dr. Wafaa Amira Slimani of the Department of Forest Resources at the University of Tlemcen (Tlemcen, Algeria). This collaboration resulted in one original paper published in an indexed international journal, in which I am listed as the corresponding author (publication n. 51)

- Date **October 2023 – January 2026**
- Activity Collaboration with the Ecology research group of the CHIBIOFARAM department at the University of Messina. This collaboration resulted in one original paper published in an indexed international journal. This study was conducted as part of the 2014–2020 National Operational Program for Research and Innovation (PON REACT-EU), Action IV.4 “Doctoral Programs and Research Contracts on Innovation Topics” and Action IV.5 “Doctoral Programs on Green Topics.” CUP J11B21008430007 Grant number: DOT 1314952 funded by the Ministry of Education, Universities, and Research (MIUR) (publication n. 58).

- Date **October 2023 – September 2024**
- Activity Collaboration with the research group at the Institute of Veterinary Sciences, University of Tiaret (Tiaret, Algeria). This collaboration resulted in two original papers published in an indexed international journal, in which I am listed as the corresponding author in one of them (publications n. 49 and 52).

- Date **September 2022 – July 2025**
- Activity Collaboration with the research group at the “Materials, Environment, and Sustainable Development” (MEDD) Laboratory at Abdelmalek Essaâdi University (Tetouan, Morocco). This collaboration resulted in two original papers published in an indexed international journal, in which I am listed as the corresponding author (publications n. 50 and 53)

- Date **March 2022 - February 2023**
- Activity Collaboration with the “Hassan II” Institute of Agricultural and Veterinary Sciences (Rabat, Morocco) under the mobility program "Erasmus KA 107 2019-21", for the production of 1 original paper published in an international indexed journal, in which I am listed as corresponding author (publication n.41)

- Date **January 2021- Present**
- Activity Collaboration with the food chemistry research group at the BIOMORF Department of the University of Messina. This collaboration has resulted in several original works published in indexed international journals (research articles n. 34, 36, 39, 45, 48, 55, and 56; a review article (n. 2); and one book chapter (n.2)), in which I am listed as the first author once and as a corresponding author six times.

- Date **October 2020 – October 2022**
- Activity Collaboration with the research group of Food Chemistry at BIOMORF Department at University of Messina and the Department of Agri-Food Sciences and Technologies at University of Bologna, within the Research Project "SIPRAF - Development of an Intelligent System of Production, Distribution, Traceability and Re-Traceability of Functional Foods" (Code No. F/200077/03/X45). The collaboration produced 3 original papers published in

indexed international journals, in which the undersigned is 3 times first author and 3 times corresponding author and 2 poster communications presented in scientific conferences (publications n.33, 37 and 38).

- Date **January 2020- August 2023**
- Activity Collaboration with the Faculty of Fisheries and Water Protection at the University of South Bohemia (CZ), within the "CENAKVA Project (No. LM2018099), funded by the Ministry of Education, Youth and Sports of the Czech Republic. The collaboration produced 2 original papers published in international and indexed journals (Publications n. 32 and 46).

- Date **January 2020 – April 2022**
- Activity Collaboration with the research group of Pharmacology at the CHIBIOFARAM Department of University of Messina. The collaboration produced 1 original paper published in an international indexed journal (publication n.42).

- Date **October 2019 – September 2020**
- Activity Collaboration with the Chemical Engineering Department, of the Autonoma University of Coahuila (MEX) within the "Seed project UADEC 2019 CGPI-UADEC C01-2019-54". The collaboration produced 1 original work published in international and indexed journal (Publication n.26).

- Date **September 2019 - August 2020**
- Activity Collaboration with the Food Chemistry, Safety and Sensoromic Laboratory (FOCUSS LAB) of the Department of Agriculture of Mediterranean University of Reggio Calabria. The collaboration produced 1 original paper published in an indexed international journal, in which the undersigned is first author (publication n. 29).

- Date **September 2018 - Present**
- Activity Collaboration with the Higher Institute of Applied Science and Technology in Mahdia - University of Monastir (TN). The collaboration produced several papers published in international indexed journals, in which the undersigned is 1 time first author and 2 times corresponding author (publications n. 20,28,30,31,35,43 and 54)

- Date **May 2018 – October 2020**
- Activity Participation in the research group of Food Chemistry (Department of Chemistry and Drug Technology, University of Rome "La Sapienza", IT). The collaboration produced 2 original works published on international indexed journals, in which the undersigned is 1 time first author (publication n. 27 and 29).

- Date **January 2018 – December 2019**
- Activity Participation in the research group of Physiology (CHIBIOFARAM Department, University of Messina, IT) within the project PON INNOVAQUA (PON02_00451_3362185) funded by the Ministry of Education, University and Research (MIUR). The collaboration produced 1 original work published in international journals indexed, in which the undersigned is corresponding author (Publication n. 18).

- Date **March 2017 - January 2019**
- Activity Collaboration with the research group on Biotechnology, Protection, and Valorization of Plant Resources (URAC35 Association Unit) of Cadi Ayyad University (Marrakech, Morocco), within the research project funded by the Erasmus+ program (No.: 2015-1-IT02-KA107-014704). The collaboration produced 1 original work on international and indexed journal (Publication n.19).

- Date **May 2016 - October 2020**
- Activity Participation in the research group of Food Chemistry of the SASTAS section (BIOMORF Department, University of Messina). The collaboration produced 15 original works published on international and indexed journals, in which the undersigned is 3 times first author and 4 times corresponding author (Scientific articles n.3, 6, 7, 9, 10, 13, 14, 15, 16, 17, 21, 22, 23, 24, 25. Book chapter: n. 1)

- Date **March 2016 - January 2017**
- Activity Collaboration with the Section of Ecotoxicology and Risk Assessment of the Norwegian Institute for Water Research (Oslo, NO) to produce 1 original paper in an international indexed journal (review article n. 1).

- Date **October 2013 - September 2015**
- Activity Participation in the research activities of the Mediterranean Centre for Research and Training in Separation Science (CHIBIOFARAM Department, University of Messina) within the project PRIN 2012 (nr. 2012TLC44W.) funded by the Ministry of Education, University, and Research. The collaboration produced 2 original papers on international and indexed journals (publications n.1 and 4).

- Date **January 2012 – January 2015**
- Title Participation in the research group of Ecotoxicology (former Department of Biological and Environmental Sciences at the University of Messina) within the project PRIN 2011 (Cod. 2010AEBLT7) funded by the Ministry of Education, University and Research. The collaboration produced 1 original work on international and indexed journal in which the undersigned is the first author (publications n.2 and 5)..

EDITORIAL ACTIVITY

- Date **January 2025**
- Title Editor of the Book of Abstracts of the “First International Conference BeSafeBeeHoney”, held in Larissa (EL) on 28–29 May 2024

- Date **October 2024 – Present**
- Title Member of the Editorial Board of the indexed international scientific journal Foods (MDPI)

- Date **August 2023 – September 2024**
- Title Co-guest editor for the Special Issue “Organic and Inorganic Contamination in Food: From Farm to Fork” of the international and indexed scientific journal “Agriculture” (MDPI)

- Date **May 2022 – May 2023**
- Title Co-guest editor for the Special Issue “Towards a sustainable agri-food chain:

safety concerns and green solutions” of the international and indexed scientific journal “Sustainability” (MDPI)

- Date **September 2021 – October 2024**
- Title Member of the Topical Advisory Panel of the international indexed scientific journal "Foods" (MDPI)

- Date **February 2021 – February 2022**
- Title Guest editor for the Special Issue "Nutritional quality and Safety of Mediterranean Food and Food Products" of the international and indexed scientific journal "Foods" (MDPI)

- Date **May 2020 – August 2021**
- Title Member of the Editorial Topic Board of the international and indexed scientific journal "Foods" (MDPI)

- Date **September 2018**
- Title Editor of the Book of Abstracts of the international conference “XXVII Italo-Latin American Congress of the Society of Ethnomedicine (SILAE)”, held in Milazzo (IT) from 13 to 17 September 2018

PARTICIPATION IN SCIENTIFIC SOCIETIES / ACADEMIES / ASSOCIATIONS, RECOGNIZED NATIONALLY AND/OR INTERNATIONALLY

- Date **December 2023- Present**
- Activity Member of the Division of Food Chemistry of the Italian Chemical Society

- Date **September 2023- Present**
- Activity Member of the Italian Chemical Society

- Date **March 2023- present**
- Qualifica Member of the Italian Society of Food Chemistry (ITACHEMFOOD)
