### ACADEMIC AND PROFESSIONAL TITLES

**Assistant Professor**, SECS-S/03 – Economic Statistics  
*Department of Economics, University of Messina*  
Since November 2008

**Scientific Coordinator** (since 2024), Partner Unit (University of Messina) – Project “*Fragile Equilibria: Healthcare Austerity and the Quality of Ageing*” (*ASQI*), funded under the extended partnership program *AGE-IT – Ageing Well in an Ageing Society*, NRRP Mission 4 – Investment 1.3, NextGenerationEU (PI: Prof. Giambattista Salinari, University of Sassari).

**Scientific Coordinator** (since 2024), Research Fellowship – “*Climate Change and Socio-Demographic Trends*” (Profile D), within the project *ESCAPE – Economic and Social Consequences of Altered Planet Environment*, funded under *GRINS – Growing Resilient, INclusive and Sustainable* (PE00000018), NRRP Mission 4 – Investment 1.3, NextGenerationEU. D.R. No. 4149 (31/10/2023), CUP: J43C24000400006.

**Member** (since 2024), National Research Group – *ESCAPE: Economic and Social Consequences of Altered Planet Environment*, funded under *GRINS – Growing Resilient, INclusive and Sustainable* (PNRR, PE00000018), Mission 4 – Investment 1.3, Thematic Area 9 (Economic and Financial Sustainability of Systems and Territories), Spoke 8 – Climate Change. Scientific Coordinator for the Messina Unit: Prof. Salvatore Magazù.

**Supervisor of a PhD Student – 39th Cycle PNRR DM118PA**

**Proposing Professor**, approved and funded research project:  
“*Effects of market competition on labour market discrimination*” (SECS-S/03; SECS-S/05),  
Candidate: Dr. Louis Lippens, Ghent University (Belgium).  
Awarded under the UniME call for international scholar mobility (€2,000 funding).

**International Mobility – Erasmus+ (STA+STT)**

- 2023/24: *Dalarna University*, Department of Business, Economics and Law (Sweden)
- 2022/23: *University “Luigj Gurakuqi”*, Shkodër (Albania)

**Member**, PRIN PNRR 2022 (Funded) – *Ethnic And Gender Labor Experimental Studies (EAGLES)*

Directorial Decree No. 1409 (14/09/2022), Proposal Code: P2022HKP7L

Lead: University of Messina; Partner: University of Calabria

International advisors: Prof. Stijn Baert (Ghent University), Dr. Nick Drydakis (University of Cambridge / Anglia Ruskin University), Prof. Anthony Heath (University of Oxford)

**Member**, PRIN 2022 (Funded) – *Depopulation Risk: Experiences, Mobility, and Subjective Well-being (DREAMS)*

Project investigates the effects of demographic decline, population aging, and mobility on well-being across life stages.

**Member**, National Research Group (Non-funded) – *VIISPA Project*

Objective: develop a vulnerability index for university students during the COVID-19 pandemic.

Findings published in *Quality and Quantity*, *Genus*, and presented at various conferences.

**Visiting Professor**, Middlesex University London

October – November 2014

**Assistant Professor**, SECS-S/03 – Economic Statistics

University of Naples “Parthenope”, Department of Statistics and Mathematics for Economic Research

February 2005 – October 2008

**Research Fellow**, SECS-P/01 – Political Economy

Department of Economics, Polytechnic University of Marche

**PhD in Economics**

Polytechnic University of Marche, Ancona – March 16, 2005

**MSc in Economics**, University of Essex (UK)

Awarded ESRC Advanced Course Quota Studentship, British Council, 2001–2002

**Degree in Economics and Commerce**, University of Palermo

*110/110 cum laude with special mention*

## **MEMBERSHIPS AND ACADEMIC SERVICE**

- **Member**, Board of Professors – PhD in Economics, Management and Statistics (Cycle XXXVII), University of Messina (since 11/05/2022)
- **Member**, Examination Committee – PhD Defense, Cycle XXXIV, Economics, Management and Statistics, University of Messina (February 2025)
- **Member**, Selection Board – PhD Admission, Cycle XXXV, Economics, Management and Statistics, University of Messina (September 2019)
- **Member**, University Statistical Center, University of Messina (since 29/10/2013)
- **Member**, Scientific Committee – *Giornate dell’Economia*, A. and N. Curella Foundation
- **Member**, Department Council – Economics; former SEAM and DESMAS departments, University of Messina
- **Member**, Degree Program Council – L-33 Economics, University of Messina

- **Member**, Exam and Graduation Committees – Faculty of Political Sciences; Department of Economics, Business, Environmental and Quantitative Methods (SEAM); Department of Economics, University of Messina
- **Member**, Technical Advisory Commission – Regional Department of Economy, Sicily Region, for defining rules to support regional credit guarantee consortia (Confidi)
- **Member**, Review Group – Bachelor’s Degree in Economics, Banking and Finance, University of Messina (since 2018)
- **Member**, Quality Assurance (QA) Commission – Bachelor’s Degree in Economics, Banking and Finance, University of Messina (since 2018)

## SCIENTIFIC ACTIVITY

## FURTHER INFORMATION - SCIENTIFIC ACTIVITY

### REVIEWER ACTIVITY

Advances in Life Course Research

*Economia Marche – Review of Regional Studies*

Economics Bulletin

Empirical Economics

*Journal of Economics Behaviour & Organization (JEBO)*

*Quality and Quantity*

Review of Regional Studies,

Social Science and Medicine.

**External Reviewer – University of Parma (2022):** Evaluation of research proposals submitted under the "Bando di Ateneo 2022 per la ricerca - Action A: Progetti di ricerca di consolidamento o scouting," funded by MIUR, within the National Research Plan (PNR). Thematic areas: Humanistic culture, creativity, social transformations, inclusive society. Review period: September 15 – November 15, 2022.

**External Reviewer – University of Modena and Reggio Emilia (2023):** Evaluation of interdisciplinary research projects submitted for the 2023 edition of the "Fondo di Ateneo per la Ricerca (FAR)" call for proposals.

### ENROLLED IN THE FOLLOWING ASSOCIATIONS:

American Economic Association (AEA), Population Association of America (PAA) from 2017, Società Italiana Statistica (SIS) from 2016, Società italiana di Economia, Demografia e Statistica (SIEDS), Associazione di Statistica applicata (ASA) from 2022, Associazione Italiana di Studi sulla Popolazione (AISP) from 2017, Associazione Italiana di Scienze Regionali (AISRE) from 2008, European Association for Population Studies (EAPS) dal 2024.

### THIRD MISSION AND PUBLIC ENGAGEMENT

- **Speaker**, public dissemination conference organized by CEFPAS (Center for Continuing Education of Health Service Personnel): "Pediatri e psicoterapeuti dell'età evolutiva insieme in un percorso di diagnosi e cura" (Caltanissetta, May 24, 2024). Presentation: "The role of the psychotherapist in detecting early signs of psychological difficulties in childhood: preliminary results from a survey administered to pediatricians".
- **Media Outreach:** Featured in the national Rai 1 TV program *Petrolio* (aired May 30, 2016), discussing results of a study on beauty and gender discrimination in the Italian labor market, co-authored with researchers from the University of Messina and the Marche Polytechnic University. Link to broadcast
- **Press Coverage:** Results from the study on beauty and gender discrimination received national and international media coverage, including features in *Huffington Post America*, *Huffington Post Italia*, *la Repubblica online*, and various other news outlets. Example article
