

## Europass Curriculum Vitae

### Personal information

Surname / First name	<b>Bottari Antonio</b>	
Address	Via S. Camillo 8 98122 MESSINA	
Telephone	+390902212924-2563	Mobile:
Fax	+390902937427	
E-mail	bottaria@unime.it	
Nationality	Italian	
Date of birth	10-17-1978	
Gender	Male	

### Education and training

Dates	04/29/21 – 10/21/21
Title of qualification awarded	Master in Radiology Unit Management
Name and type of organization providing education and training	SIRM – Italian Society of Medical and Interventional Radiology
Dates	01/01/2018 – 31/12/2018
Title of qualification awarded	Master (II Level) in “Hepato-bilio-pancreatic oncologic imaging”
Name and type of organization providing education and training	University of Verona
Dates	01/05/2007-03/28/2007
Title of qualification awarded	CIRSE Fellowship Education Grant
Name and type of organization providing education and training	Dept. of Angiography and Interventional Radiology – AKH University Clinics Vienna, AUSTRIA
Dates	05/05/2003-10/28/2006
Title of qualification awarded	Radiologist, votation 50/50 cum laudem
Principal subjects/occupational skills covered	Thesis on: “Three-dimensional Rotational Angiography: technical aspects and results”
Name and type of organization providing education and training	Residency Program in Radiology-University of Messina, ITALY
Dates	June 2003
Title of qualification awarded	Abilitazione
Name and type of organization providing education and training	University of Messina, ITALY

Dates	10/10/1996-07/25/2002
Title of qualification awarded	Medical Doctor, votation 110/110 cum laudem
Principal subjects/occupational skills covered	Thesis on: "Nonoperative Management of Iatrogenic Lesions by Using Transcatheter Arterial Embolization"
Name and type of organization providing education and training	University of Messina Medical School, ITALY

### Work experience

Dates	10/01/21 - today
Occupation or position held	Associate Professor of Radiology
Main activities and responsibilities	Teaching, research and medical care
Name and address of employer	Dept. of Biomedical, Dental, Functional and Morphological Imaging Sciences University of Messina, ITALY
Dates	05/12/2021 - today
Occupation or position held	Head of Interventional Radiology Unit – University Hospital "G. Martino", Messina, ITALY
Dates	09/19/2016-10/02/2016; 10/24/2016-11/06/2016; 11/28/2016-12/04/2016
Occupation or position held	Interventional Radiologist
Main activities and responsibilities	Operator in interventional radiology procedures
Name and address of employer	Unit of Interventional Radiology, ASST Grande Ospedale Metropolitano Niguarda, Milan, ITALY
Dates	03/01/2008-09/30/2021
Occupation or position held	Assistant Professor
Main activities and responsibilities	Teaching, research and medical care
Name and address of employer	Dept. of Radiological Sciences-University of Messina February 2008
Dates	03/01/2008-09/30/2021
Occupation or position held	Stage
Main activities and responsibilities	Collaborations in endovascular interventions
Name and address of employer	Dr. Dominic Yu – Dept. of Radiology, Royal Free Hospital London, UK
Dates	04/01/2007-02/28/2008
Occupation or position held	Voluntary
Main activities and responsibilities	Collaborations in reports compilation, research and teaching
Name and address of employer	Dept. of Radiological Sciences-University of Messina September 2000-February 2003
Dates	September 2000-February 2003
Occupation or position held	Internship
Main activities and responsibilities	Collaborations in reports compilation
Name and address of employer	Dept. of Radiological Sciences-University of Messina

### Personal skills and competences

Mother tongue	<b>Italian</b>
Other language(s)	

Self-assessment European level (*)	Understanding				Speaking				Writing	
	Listening		Reading		Spoken interaction		Spoken production			
<b>English</b>	B2	Independent User	C1	Proficient User	B1	Independent User	B1	Independent User	B2	Independent User
<b>French</b>	A2	Basic User	B1	Independent User	A2	Basic User	A2	Basic User	A2	Basic User

(\*) Common European Framework of Reference for Languages

Technical skills and competences Clinical activity: principally focused on vascular and non-vascular interventional radiology procedures.  
Scientific activity: papers on cardiovascular imaging (CT and MR), body imaging and interventional radiology published on scientific journals cited on Medline and with I.F.

Computer skills and competences Good knowledge of Microsoft Office  
Good capacity of internet surfing

## Additional information

Teacher in the School of Medicine, School for Radiologist, School for Obstetrics and in the Residency Programs of Radiology, Nuclear Medicine, Surgery, Legal Medicine and Health.

In 2009 his project "*Evaluation of digital images acquired by computed tomography and magnetic resonance in virtual autopsy: new knowledge by the observation of a sample.*" has been judged by the Ministry of University and Research as follow: "is a very important research that could contribute in the improvement of the autopsy results. The conceptual framework, the design and the methods are excellent. The quality of the partnership with respect to the subject of the project is very good" with a final score of 37/40.

Participant in Projects funded by CIPE: DM 45602 "Modello di diagnostica molecolare integrata e terapia mirata non farmacologica nel tumore della mammella (breast unit) e in neurooncologia (brain unit)" and DM 46965 "Formazione di ricercatori altamente qualificati nello studio della proteogenomica e bioimaging in Medicina: Applicazioni in Oncologia".

Participant in Project (PON): "Metodi innovativi di imaging molecolare per lo studio di malattie oncologiche e neurodegenerative (Molim Oncobrain Lab) (ARS01\_00144)"

From June 2015 to June 2016: Site investigator for imaging in Novartis trial CAIN457A3302.

From August 2018-today: Site investigator for imaging in trial Bristol Meyers

Squibb trial "C209-9DX: A phase 3, randomized, double-blinded Study of Adjuvant Nivolumab versus Placebo for Participants with Hepatocellular Carcinoma Who Are at High Risk of Recurrence after Curative Hepatic Resection or Ablation".

From December 2020-today: Site investigator for imaging in Merck Sharp & Dohme trial "Phase 3 Multicenter, Randomized, Double-blinded, Active-controlled, Clinical Study to Evaluate the Safety and Efficacy of Lenvatinib (E7080/MK-7902) with Pembrolizumab (MK-3475) in Combination with Transarterial Chemoembolization (TACE) Versus TACE in Participants with Incurable/Non-metastatic Hepatocellular Carcinoma (LEAP-012)".

Editorial Board Member of Heliyon and American Journal of Interventional Radiology.

Participation in different congresses and courses of national and international level.

Member of the Italian Society of Radiology (SIRM) and Cardiovascular and Interventional Radiological Society of Europe (CIRSE) from 2003.

Member of European Society of Radiology (ESR) from 2007.

Member of Radiological Society of North America (RSNA) from 2011.

Referee for the Ministry of University for the projects "SIR 2014" and "PRIN 2015".

Referee for the Ministry of University for the program "VQR 2011-2014".

Included in the register of scientific experts REPRISE at Ministry of University.
